

LETTER OF CREDIT

I, **your name here**, your **address here** create this Letter of Credit for the purpose of discharging debt.

This Letter of Credit is drawn on accounts receivable held in the United States Treasury. Accounts receivable represents **your name here** undivided interest in all the gold and silver that was seized by the New Deal U.S. of D.C. in 1933, under the unconstitutional War and Emergency Powers of 1917, as amended in 1933, that declared the people of the United States of America to be the enemy of the U.S. Inc., of the District of Columbia.

The Federal Government seized We The People's money under the war powers of 1933, leaving We The People without any means of paying our debt in law, wherefore, Congress passed HJR192 forbidding any oblige from requiring payment in gold or a particular kind of coin or currency, or in any amount in money of the United States, based upon the fact the only substitute for payment in law is compelled performance in equity, which is unlawful except for punishment of crime where the party has been lawfully convicted. Therefore, to demand payment in any coin or currency of the United States is against public policy and in violation of Section 10, Clause 1 where the law states that the state shall not "emit Bills of Credit; make any Thing but gold and silver Coin a Tender in Payment of Debts". Amendment 13, of the United States Constitution, has abolished involuntary servitude within the United States of America.

Therefore, this Letter of Credit is established in the amount of \_\_\_\_\_ and tendered to \_\_\_\_\_ for the purpose of discharging debt. This Letter of Credit is to satisfy and discharge my debt to \_\_\_\_\_, as also allowed in Section **find your section in your state's Constitution** of the Constitution for the State of **your state**, which clearly states that Citizens must have the same privileges and rights as that of a corporation. Corporate banks create "money" by bank entry, (i.e., ink on paper out of thin air). Therefore, present this Letter of Credit to the Treasury of the United States for payment, drawn on **your name here** accounts receivable that exceeds \$1,000,000, which is my share of the gold and silver unlawfully seized.

Dated this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
